

PCAN Cyprus Encounter 20th-27th April 2024

How about a holiday at a 4-star hotel, with its own beach, in the Spring of 2024, with Encounter?

Colin Boniface, who some of you will know, knows the Queen's Bay Hotel, Paphos very well, as a regular visitor, and he has again secured an excellent deal for us for a week's holiday encompassing a 5-day Encounter. What's not to like? Those of us who trialled the experience this year are completely sold! The hotel is ace, and the food – extensive buffets for all meals - excellent. Plus the ambience: relaxed and friendly. This is a family owned hotel, and many staff have worked there for years and are very willing to make sure guests are happy and comfortable.

We have booked the week **Saturday 20th to Saturday 27th April 2024** with the Encounter running from **Monday 22nd to Friday 26th** (time of group meeting for Encounter to be agreed together after arrival). When the weather allows, we can meeting outdoors, on a balcony overlooking the sea, otherwise there will be alternative conference room space inside.
